

Presentation Topics/Categories

PERSONAL GROWTH & LIFE LESSONS	
	The best advice I've ever received – and how It changed me
	All beliefs are true to the believer
	The hardest challenge I've faced – And - what It taught me.
	One habit that I wish more people had; And why
	The power of saying 'No' – a time that I had to stand my ground
	How volunteering / helping someone changed my view of life
	A life skill that all schools should teach, but usually don't
	The most surprising thing that I learnt outside of school
	How one mistake taught me more than success ever did

COMMUNITY, FAMILY & CULTURE	
	A childhood memory that shaped who I am today
	How my culture / family traditions shape my identity
	A place in my hometown that means a lot to me
	An event that changed my town / community
	A local legend / Mystery: Real OR Myth?
	A local business / artist that I think everyone should know about
	A tradition my family has that should be famous
	Life without smartphones – could our generation handle it?

Creativity & Imagination	
	If I could invent a new school subject – it would definitely be ...
	If I could spend a day in any time period, it would be because
	If I could host a dinner party with 3 guests (living or dead) - I would choose ... and this is Why
	If aliens landed on earth tomorrow, I would tell them about earth
	The future of a hobby that I love and enjoy

Personal Reflections & Experience	
	Interview with someone over 65 – lessons from their life
	The best compliment that I have ever received – and – why it mattered
	What makes a good friend – My personal experience(s)
	The most difficult skill that I have tried to learn – and – what happened
	The role of humor in my life – how laughing has helped me
